All of our classes welcome both couples and single dancers. **If you are attending with a partner and wish to remain dancing with them for the duration of the class that's absolutely fine.**

We can't guarantee a partner for everyone who comes along without one, as it depends on the numbers and the balance of attendees. But don't let that stop you! Come along, see who's there, and decide if you'd like to join in. If you'd rather not dance, we'll give you a full refund, no problem.

I'm sorry but we cannot arrange/find partners for you.

Of course, if you prefer to dance solo throughout the class, that's perfectly okay too.

Classes are £8.50 per person per class

Classes are Pay-As-You-Go. Only pay for the classes you attend. No up-front fees.
No annual membership. No booking or pre-registration, just turn up on the night.
