These classes are for both couples and singles however please note that **if you come as a couple and wish to remain dancing as a couple and not change partners then that is fine.**

If you come without a partner, we will be offering opportunities to dance with different partners if you wish. Please note however we cannot guarantee you a partner as we do not know the numbers or gender mix of the people attending. Just turn up on the night and see who else is there. You can then decide if you wish to take part in the class or not. If you choose not to take part we will of course give you a full refund. I'm sorry but we cannot arrange/find partners for you.

If you choose to dance "solo" during the class then that is absolutely fine as well.

Classes are £7.50 per person per class

No need to book, just turn up on the night. These classes are for absolute beginners.
